

The Libertarian Solution

Conclusion to "Can America Survive our two-pa

bureaucrats are all too aware that if they actually solved the problem they were charged with they would quickly put themselves out of a job.

Prohibition goes beyond the bounds of reason in that it attempts to control a man's appetite by legislation and makes crimes out of things that are not crimes. A prohibition law strikes a blow at the very principles upon which our government was founded. – Abraham

We the people are the ri
